

**PRIVACY NOTICE ON THE PERSONAL DATA RELATED TO WEBPAGE [www.omicsens.eu](http://www.omicsens.eu)  
pursuant to art. 13 of EU Regulation 2016/679**

**1. Introduction**

The EU Regulation 2016/679 "General Regulation on the protection of personal data" (from now on next "GDPR") establishes the right of every person to the protection of personal data. According to the indicated legislation, this treatment is based on the respect of the principles of lawfulness, fairness, transparency, relevance, not excess and in order to guarantee an adequate security of personal data.

The following are the main definitions regarding the protection of personal data.

**personal data** means any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person;

**processing** means any operation or set of operations which is performed on personal data or on sets of personal data, whether or not by automated means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction;

**controller** means the natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of personal data; where the purposes and means of such processing are determined by Union or Member State law, the controller or the specific criteria for its nomination may be provided for by Union or Member State law;

**processor** means a natural or legal person, public authority, agency or other body which processes personal data on behalf of the controller;

**recipient** means a natural or legal person, public authority, agency or another body, to which the personal data are disclosed, whether a third party or not. However, public authorities which may receive personal data in the framework of a particular inquiry in accordance with Union or Member State law shall not be regarded as recipients; the processing of those data by those public authorities shall be in compliance with the applicable data protection rules according to the purposes of the processing;

A **data subject** is any person whose personal data is being collected, held or processed. **2.**
